

South Western Golden Retriever Club

18th March 2018

It was a pleasure to return to judge males at this well run show; unfortunately the entry was depleted on the day due to a heavy snowfall and ongoing road closures announced prior and during the day.

Veteran dog, 4, 3abs

1st & BVIS Stokes Sh CH Jobeka Jeremiel, 9 ½ years of age and really enjoying his day out. Super type and balance, the most pleasing head, still with lovely clear eyes and a kind expression. Still has good legs and feet and was shown in good coat and condition. Showing great freedom and soundness on the move.

Minor puppy dog 8, 2abs

1st Wild Quakerhall Sea Master By Bluewaters, 8 ½ month dark coloured dog stood away in the class, super head, with pleasing expression, eye and pigmentation. Clean through the neck standing on strong bone and neat feet, deep through the chest, well bodied with super quarters, moved well

2nd McDonalds Lamancha Magical Moments, pale coloured dog, excellent pigment and expression, clean through the neck and shoulders, well off for bone. Well bodied, excellent top line and tail set, good rear with a pleasing turn of stifle, not in his best jacket today, moved and showed well.

Puppy dog 14, 6abs

1st CC, Res BIS, BOS & BP Vermander & Adam Quite Some Legend of Sunshine's Valley, I fell for this boy, he had balance and type, everything I was looking for today. Pleasing head and expression set off by correct pigment. Clean through the neck and shoulders, well developed forechest and excellent bone and feet. Deep through the chest for his age, ribbed well back, short coupled and well bodied, super quarters and well turned stifles, hocks well let down. Pale coloured coat of good texture in excellent condition, shown in good form and moved out very well fore and aft as well as in profile.

2nd Wild Quakerhall Sea Master By Bluewaters

3rd Cruttwell Ashbyglen Alfresco

Yearling dog 8, 5abs

1st Randall Kolverquest Portland Bill JW, medium dark colour young male of pleasing shape and balance, pleasing head and expression, strong neck leading to well placed shoulders, well off for bone and good feet, super forechest and substance. Strong quarters and correct tailset moved best in class just needs to tighten in front movement when free standing

2nd Scott Trebell Truck Driver, darker male than winner, loved his head and soft expression, clean through the neck and shoulders, well bodied and shown in good coat, another with good tailset and moved well, a with the winner just needs to tighten in front which will hopefully come with age.

Post Graduate dog 14, 4abs

1st Res CC Trinder Thornywait San Valentino JW ShCM, lighter coloured male that appealed for his type and overall balance, such a pleasing masculine expression and correct pigment. Well angulated shoulders, the best of bone and feet. Pleased for body proportions, good length of body, correct top line and tail set, super quarters and well developed second thigh which he used to advantage on the move. Moved very soundly in all directions and shown in good condition with excellent coat.

Mid Limit dog 16, 9abs

1st Lane-Ridyard Kulawand final Quest, masculine head with correct dark pigment. Good forechest, excellent front angulation and length of upper arm, pleased for length of body, super quarters, pleased for tail set and carriage, very positive in movement, shown in good coat and order.

2nd Kipps Wheatcroft White Flame JW, appealed for his head and expression, could have done with more forechest for me and a slightly better upper arm, but this could not deny him his placing here.

3rd McDonald Lamancha Just Meant To Be JW

Limit dog 7, 2abs

1st Golder Gembaek's Mixed Music to Summeramba (Imp DK), middle dark coloured masculine dog of pleasing type and balance, beautiful head and expression, super forechest, bone and feet, well ribbed and correct loin, strong quarters, just wish he would put more effort into his movement.

2nd Harvey & Andersons Largymore Luis Espinosa for Ashiqua JW, dark coloured male with pleasing head and pigment, super bone, chest and feet, level topline but carries his tail a little too high for me which spoils his outline on the move.

3rd Mace Harry The Magician at Telenjan

Open dog 12, 8abs

1st Gerhold Ramchaine Fabulicious (Imp NLD) JW ShCM, this pale male was in tip top form here today, super haed and expression with good pigment, loved his style, balance and breed type, super bone and feet, deep through the chest, shown in good coat, well bodied and super quarters with second thigh, tail set correct and presented a good picture, in the challenge I felt he was not moving at his best.

2nd Wild Sh Ch Fenwood Ell Masterpiece at Bluewaters JW, darker male of good shape and balance, pleasing head and expression, clean neck and well laid shoulders, plenty of bone and good feet, would have preferred more body here today, strong quarters would have liked a little more positivity in rear movement.

3rd McDonald Sh Ch Lamancha In Search Of Pye JW ShCM

Special working dog 3, 2abs

1st Vermander & Adam Serb/Bel/Lux Ch New Miracle of Sunshine's Valley Ger/Fr JunCH, cream coloured male alone here but a worthy winner, pleasing head and expression, strong neck and good shoulder placement, super forechest rib and length of loin, strong quarters as you would expect with excellent second thing and muscle, level topline which he held on the move, shown in good coat and presented well.
