

2022 Championship Show report. March 20<sup>th</sup> 2022

Finally, things are returning to some kind of normality and were able to return to Hutton Moor Leisure Centre for March Champ show. It felt so much better being back at our normal venue everyone knows the set up and it works well. We had a reasonable entry with very few absentees, our two judges this year were Pat Taylor judging Dogs and Marilyne Lade judged Bitches.

The show went well with a lovely relaxed atmosphere, exhibitors supported our fantastic Raffle which brought in a good sum of money which was donated to the Red Cross, in hope it would support the efforts in the Ukraine. Thank you to Debbie Birch for taking on the raffle duties.

We had a few baby puppies for the lunch-time puppy walk, it is so lovely to see them enjoying their day out. Thank you to Cheryl Bawden for taking time to go over them and move them.

Congratulations to all our winners on the day Best in show went to Beverley Angell's Millanza Toy Story, all the details of the main winners and classes are on our Web-site with some super photos taken by Anthony and Denise.

Thankyou to all the exhibitor's for your support and to our hard working Committee for your dedication and hard work without this we couldn't run the show.
