

April Open Show. 2018.

The weather was fine for us on the day, were able to hold the show out-side. Held at the Matford Livestock Centre Exeter in connection with South Western Gundog show, exhibitors were able to enter two shows on the same day. This was our 3rd time running the two shows side by side. It really works for both Clubs.

We had a good entry of 75 dogs, making a total entry of 98. Sally Hayward was our judge. All the results and super photos are on the web-site. Thank you to Anthony Maidment for taking all the photos. It was nice to see many exhibitors had travelled a good distance to do the two shows. Thank you to all the exhibitors who came along and supported our two shows.
