

Report Open Show Sunday 3rd October 2021.

Our Open Show was finally able to go ahead but sorry to say we had a change of Judge a few days before the show, Jan Gannaway-Jones was tested positive for COVID-19 so had to with-draw, we found a replacement judge and very kindly Lara Williams stepped in at the last minute. We had a very good entry but a large number of absentees on the day. Lara did an excellent job, the weather was not so good this year and although we started judging outside the rain became too heavy to stay out.

As always it was a lovely atmosphere the raffle was supported well and the food was good especially the Cornish pasties thanks to Sally Main.

Well done to all the winners especially to Chery Bawden & the handsome Bert, who had a super day.

Bert (Balsamina Beachcomber at Darthill) won Best Puppy in Show and Best in Show quite an achievement. Well done to them and to all our winners.

Thank you to the committee who came along on the day to help and to the exhibitors for the support. There are some of great photos on the web-site and the report from our judge.
