Special Members Open Stakes

5 (2ab)

1. Joy's Shardanell Just Like That – A super substantial boy, well off for bone, who presents a balanced picture throughout although nothing is overdone. Gorgeous masculine head, dark eye & kindly expression. Straight front, good length of neck flowing into a level topline. Tight, catlike feet, moved with ease & accuracy.
2. Hill's Audeamus Memories of Rostam – A happy boy who was enjoying his time in the ring & this showed in his movement which was straight & true. Straight front & reachy neck, level topline with good turn of stifle. Still coming back into his pale coat but he deserved his place today.
