I would like to thank the committee for the opportunity to judge bitches here today. As a third choice judge I thank the previous two judges and wish them well, and thank them for their entry here today. Thank you also to the exhibitors who showed their dogs today and were sporting in my decisions

Veteran 5, 3abs

1st Burrows Jobeka Just A Jewel at Dilworthey 10 years of age, pleasing head and expression, clean through the neck and over the shoulders, super bone and front assembly, correct body length and super quarters shown in good coat, just starting to lose her top line on the move

2nd White Jobeka Just A Jem at Forbendale, 10 ½ years cream bitch, pleasing expression, a little throaty and carrying a little too much weight here today, well off for bone and standing on good feet.

1st & BPB Dunbar Linirgor Beaully, 8 month sweet feminine expression with good pigment, kind eye and expression. Coat of mid colour, clean through the neck and shoulders leading to good bone and feet. Correct body proportions and such a positive mover. Shown in very good coat and condition, surely has a bright future.

Well boned and moved straight and true and showed great reach and drive in profile.

Yearling 13, 4abs

1st CC & Res BIS Zubair Thornywait Cassiopeia JW dark coloured bitch that appealed for her beautiful head type and overall balance, such a pleasing feminine expression and correct pigment. Well angulated shoulders, the best of bone and feet. Pleased for body proportions, good length of body, correct top line and tail set, super quarters and well developed second thigh which she used to advantage on the move. Moved very soundly in all directions and shown in good condition with excellent coat. I wish her well in her quest for her title.

Graduate 5, 3abs

1st Clunie Warrentor Caipirinha, dark colour with super pigment, pleasing expression if being critical a little too much substance and her feet were a little on the large size for me. , saying that she had good reach of neck leading to well placed shoulders, well bodied and super top line, good quarters, presented and moved well.

2nd Wheeldon Thornywait Viva La Vida for Catnnels, lighter coloured bitch, and her muzzle was a little too long in my opinion which detracted from her expression, good shoulder placement and well bodied, presented well and handled sympathetically would have liked a little more substance and more of a positive stride.
